On July 1, 2019, the Board of Directors (the “Board”) of Prothena Corporation plc (the “Company”) appointed Paula K. Cobb to serve as a director of the Company, effective immediately. Ms. Cobb was not appointed to any committees of the Board in connection with her appointment as a director.

In connection with her appointment, Ms. Cobb was granted an option to acquire 35,000 of the Company’s ordinary shares under the Company’s 2018 Long Term Incentive Plan, with a per share exercise price equal to the last reported sale price on the Nasdaq Global Select Market of the Company’s ordinary shares on July 2, 2019, the first business day following the date of Ms. Cobb’s appointment to the Board and the date of the grant of the option. The option will vest in equal annual installments over three years following the grant date (with the final year vesting date to be the earlier of the third anniversary of the grant date or the day prior to the annual general meeting of the Company’s shareholders for that year), subject to Ms. Cobb’s continuous service on the Board until each such vesting date.
